## PROJECT BRIEF

This is a pioneer, first-of-its-kind project in India wherein in-principle approval of VGF has been given by the Government of India for setting up of medical colleges by upgrading existing district hospitals.

The scope of work will broadly include-

- Augmentation/upgrading the existing district hospital (184 bed to 430 bed hospital)
- Development/ Construction of Medical College and management, operation and maintenance thereof in accordance with the terms of the Concession Agreement

## PROJECT SUPPORT

The Government of India and The Government of Uttar Pradesh will provide the following support to the Private partner-

- Capital Grant up to 40% of estimated capital cost as per the revamped VGF scheme of Government of India
- Operational grant up to 25% of operating expenditure in accordance with Government of India's revamped VGF scheme
- Government of Uttar Pradesh will hand-over the functional district hospital on as-is where-is basis along with the site for medical college on lease for 33 years + 33 years (co-terminus with concession period) at annual lease rent of INR 1
